James Halliday ★★★★★ Winery

Covid Lockdown again

Lockdown is with us once more. Who knows how long this one will go for? The Cellar Door is closed. Most of our wholesale outlets are closed. That's 95% of our business. Ouch for the business. Ouch for our staff. Online sales are very important to us, so we've reintroduced the Covid Dozen to join the Halliday Pack as our Special offers.

New Covid Dozen Special

A lovely cross-section of wines featuring our most popular wines. The highlight is a bottle of the 2016 St Ethels Grampians Shiraz. Halliday: 'An impressively vinous wine of compelling length, showcasing the Grampians tapestry of scents and flavours: anise, mint, bitter chocolate and unctuous dark fruit riffs. 95 points. Gold.'

Landline will soon air a story on the new posts being installed in the St Ethels Vineyard at Great Western. The untreated pine posts are encased in black polyethylene (like poly pipe) making them watertight. They are sustainable, recyclable and certified organic. No creosote chemicals. They are produced by Woodshield in Melbourne. Watch out for it!

Halliday ratings

The 2022 Halliday ratings have been released. The 2018 Streeton Reserve Shiraz was the standout with brilliant 95 but was the only GOLD medal rated wine (95 points and above) of those submitted. A mix-up with the 2019 Grenache (4 Trophies) saw it assessed as a Shiraz and accordingly down-graded, ouch. This cost GE the opportunity for the required two 95 point wines for a five red star rating. A major shake-up of the scoring system has resulted in a lot of lower scores and winery ratings (star system) across the board.

Seriously Shiraz Weekend – cancelled

A weekend of wine events at Grampians wineries up in smoke again. Saturday September 5, we planned the 'Streeton Lunch' featuring a Streeton Reserve Shiraz Vertical Tasting and lunch and on Sunday the 'Everything Shiraz Father's Day lunch'. Hopefully next year.

New wines available now

2021 St Ethels Old Vines Riesling (\$30) from vines believed to be the oldest in Victoria and some of the oldest in Australia having been planted around 1890. Lovely lime lemon aromas and palate. [Click here](#) to purchase.

2021 Pinot Gris (\$25) from Paul Dakis's Arrawatta Vineyard at Great Western. This wine is more of a fuller style (picked at a higher sugar level) than a crisper Grigio style thus giving you a rounder softer more textural mouthfeel. Pears and honeysuckle. [Click here](#) to purchase.

2021 Drovers Rose (\$25) from the St Ethels Barrel Block Shiraz vines. More light red than pink in colour, this wine has an amazing bouquet of roses, cherries and raspberries. [Click here](#) to purchase.
